Report – Trustee Wilson

- Trustee Wilson noted he received a call from Tom Fraser an insurance rep regarding 29 South Main Street. Mr. Fraser had some questions regarding the “Pennysaver” building. Trustee Wilson noted Mr. Fraser was submitting his report today and his should be the final report needed for insurance for Robert Smith and Mr. Smith should have a decision in the next day. Mayor Belson noted we don’t want to wait any longer than we have to, this building really needs to come down. Mayor Belson noted if the building was to come down on its own that Mr. Smith would be responsible for any damages associated with it. Trustee Holland inquired what was the time frame for getting this building down. Attorney Bogan noted per Mr. Smith’s email he intends to have the building demolished by the end of the week. Attorney Bogan noted he didn’t want Art Hill Construction to do anything until Mr. Smith gives the ok from his insurance company. Trustee Wilson noted Art Hill Construction is treating the situation that Robert Smith is their customer not the Village of Lyndonville.
