Attorney Bogan briefly explained the proposed Mobile Food Vendor Local Law. Curley's Lyndonville Hotel owner Kurt Rosentreter expressed his concerns with regards to: what is the benefit to the Village with passing such law, who would be enforcing the Local Law, trash pickup, restroom use. E-Z Shop and HoJack Ice Cream Shack & Snack Shack Grill owners John and Barb Champlin express their concerns with regards to: Mobile Food Vendor's coming into the Village would hurt the existing businesses, where can they be parked/located, who would receive the sales tax, are food trucks being asked to come to the community for the fisherman, is there regulations on distance, days and times. Attorney Bogan explained that the Local Law would prevent unruly vendors from coming into the Village anytime they want and from parking in front of current business. Attorney Bogan noted that the Local Law would be enforced by the Village's Code Enforcement Officer. Attorney Bogan mentioned the Law has a 50' setback from any existing business and has regulations on the hours and days. Trustee Cousins noted this Local Law would allow the Village to regulate during events. Trustee Wilson added in the future events may need food trucks to draw people to the community. Christmas in Lyndonville Chairperson Carla Woodworth noted that Christmas in Lyndonville has brought food trucks in however they have regulated what they could sell so that it doesn't hurt the current businesses. Mrs. Champlin asked if the Village was soliciting mobile food trucks for the fisherman. Mayor Belson stated no we are not. Mrs. Champlin asked if the Village could ban mobile food trucks. Mother's Out-Front Chairperson Susan Campbell inquired if a fee per day would be applied. Mayor Belson noted the Board will table the Local Law for further discussion at the March 25, 2019 workshop.
